Camp Voyage is a one-day camp for families with kids ages 6-15 who have experienced the death of a loved one. Come sail with us on a healing journey with friends and fun!

- Connect with other kids who are also grieving
- Understand grief and how to show emotions in healthy ways
- Learn how to express and cope with grief through arts, crafts and music
- Have fun just being a kid! Plan to laugh, share and heal!

Providing grief support in the early stages can have positive lifetime effects. Our team of bereavement professionals will be on hand to promote positive healing and to ensure wellbeing.
